### FROM THE DATABASE COORDINATOR

Due to the amount of information we have to share as a follow-up to DataFest, the offers listed in last week's newsletter are not being repeated here. If you didn't read last week's newsletter, you can download it from

<http://www.tenn-share.org/resources/databases/backissues>.

The 9/29 issue included information on **Oxford University Press, CQ Press, Ovid medical/nursing eBooks, World Trade Press, and Cambridge Histories Online.**

Below we have new trials and/or offers from **Greenwood Press, Encyclopedia Britannica, Gold Rush, and Springer eBooks.** And don't forget **that Friday is the last day** to join the quote for the December **OCLC WorldCat** subscription. The highlighted free resource this issue is MLA's **Resources for Health Consumers.**

Our picture this week is Plough Library at Christian Brothers University, home of Deborah Babb, Academic Library Representative on the Tenn-Share Board of Directors.

## GOLD RUSH

Gold Rush is an electronic resource management system, developed in-house by the Colorado Alliance of Research Libraries and licensed to libraries throughout the nation (including several in Tennessee). Gold Rush offers five major areas of functionality:

- **Electronic Resource Management**-Keep track of all the details of your subscriptions. Includes email notification, cost details and history, terms of agreement, and an Incident Tracker to keep track of database problems and outages, and more
- **OpenURL Link Resolution**-link directly to full text articles, acts as bridge between databases
- **Public Search Interface**-search holdings to find out where a particular journal is carried, create A-Z list of journals
- **Content Comparison**-suite of reports, compare content among databases find out where there is unique and identical content
- **XML Gateway**-option to create your own interface to Gold Rush

For more product information see <http://grweb.coalliance.org/>

The CO Alliance is offering a **10% discount** on Gold Rush to libraries that participate in TENN-Share. Instead of \$4,000 per year, Gold Rush is **\$3650 for TENN-Share libraries**. We can also sell Gold Rush by the module, contact the Alliance for more details about

this.

If you would like a trial to Gold Rush, send an email to [goldrush@coalliance.org](mailto:goldrush@coalliance.org) or contact the CO Alliance at 303-759-3399.

## SPRINGER EBOOKS

Springer eBook Collections include monographs, book series, major reference works, and text books and are made up of over **3,000 eBooks** annually. The purchase of a Springer eBook Collection includes full ownership rights, no digital rights management, unlimited usage, free MARC records and COUNTER compliant usage statistics, amongst other value-added features.

Through the TENN-SHARE consortium, Springer eBook Collections are available at a **30% discount** for individually purchasing institutions. Additional discounts are also available for multiple institution purchases that surpass established monetary intervals. **Smaller institutions** (<5000 FTE and community colleges) can combine and purchase as if they were one larger institution. In addition, prior years' collections are available for a limited time at a deeply discounted rate. For more product information, see <http://www.springer.com/ebooks> or contact our sales rep, David Celano, at [david.celano@springer.com](mailto:david.celano@springer.com) or 781-267-3644

## OCLC WORLDCAT

Many of you took advantage of the opportunity to subscribe to FirstSearch WorldCat through the Tenn-Share group in June. We are planning on adding another group of libraries, who were not able to join in June for whatever reason, **in December for a 6-month contract**. This will catch the new group up with the original libraries and all will renew in June. If your library is interested in joining in December, please email me at [LuckDL@wildblue.net](mailto:LuckDL@wildblue.net) by **Friday, October 10<sup>th</sup>**. For more information about the advantages of the subscription, please see <http://www.tenn-share.org/resources/worldcat>.

Also note that SOLINET is offering a web-based class **“Using WorldCat on the Web: WorldCat.org”** on November 6<sup>th</sup> and December 11<sup>th</sup>. See [http://www.solinet.net/?sc\\_itemid={01717289-120E-4B77-AF35-DEB915BFFAE8}](http://www.solinet.net/?sc_itemid={01717289-120E-4B77-AF35-DEB915BFFAE8}) for more information.
