### FROM THE DATABASE COORDINATOR

Summer is winding down and we're gearing up for a new academic year. I hope all your libraries are planning exciting services and programs for 2010-11! Here at Tenn-Share, we are back from vacations (see picture) and working on plans for the **Tenn-Share DataFest and Conference** (see below).

We are also starting to look at databases and other electronic resources to include in the **Fall round of group purchases for the TN Consortial Purchase Project**. If you'd like to suggest products to include, contact the appropriate subcommittee chair:

**Academic:** Mary Ellen Pozzebon, MTSU, [mepozzeb@mtsu.edu](mailto:mepozzeb@mtsu.edu)

**K-12 School:** Leah Allison, St. George's, [lallison@sgis.org](mailto:lallison@sgis.org)

**Special:** Michael Lindsay, UT Grad Sch of Med, [JMLindsay@mc.utmck.edu](mailto:JMLindsay@mc.utmck.edu)

The **Public** library chair is open right now, due to Stephanie Masin of Memphis Public leaving TN for a directorship in Michigan. Volunteers to fill this Public library representative position are welcome!

Our free database section highlights a **job search** database, and resources for free **eBooks** and **audiobooks**.

### DATAFEST 2010

The DataFest, our annual vendor showcase, will be held Thursday, October 21<sup>st</sup> at Nashville Public Library. Save the date on your calendars, and let me know if you have specific vendors or products you'd like to see!

Stick around for the Tenn-Share Conference the following day, and learn more about providing library services "Smarter, Faster, Cheaper!"
