A new Tenn-Share discount is being offered for **Public** and **K12** members on **Facts On File streaming video** (see below). Several new offers from various vendors for **Academic** libraries will be announced in a separate newsletter.

Our free resource is **Dollars for Docs**, a database tracking payments to doctors from drug companies.

FREE DATABASE: DOLLARS FOR DOCS

Dollars For Docs compiles information on payments that drug companies make to doctors. Receiving payments isn't necessarily wrong, but it does raise ethical issues. Three of the top ten earners are in Tennessee!
