

**Tenn-Share Web Committee Report**  
**September 4, 2008**

Tenn-Share Web Committee:

Co-Chairs: Wendy Cornelisen, Jodie Gambill

Committee Members: Julie Julian, DeAnne Luck, Penny Frere

After the last board meeting, the Tenn-Share Web Committee notified Wendy and Jodie of their new status as webmistresses, co-chairs, and ex-officio Tenn-Share Board members.

Construction of the new website began in earnest. Highlights include:

- Transfer of website from UTK to Vanderbilt server space. This enables "@[tenn-share.org](http://tenn-share.org)" email addresses for staff and board.
- New organization of website. Now focused on Membership, Resources and Organization.
- Creation of Drupal theme for Tenn-Share.

The Web Committee conducted a great deal of communication via email, but also found time to meet in person for lunch meetings on July 24 and August 21.

While the layout and structure are mostly complete, the website is still lacking content in some areas. **We will be calling on various Board members to help us flesh out these areas.**

The new website will likely be visible to the public from [www.tenn-share.org](http://www.tenn-share.org) starting next week.

The process can take as long as 48 hours to be complete, so it is possible that new and old pages will both be visible during that window.

Members and users will be notified via listserv messages about the new website, and announcements will be made at the Fall Conference as well.

Requests to the Board:

- We need more pictures for the website. Please feel free to email images from any Tenn-Share events to the Web Committee for inclusion into the site. We may also ask for a picture of you to put next to your name the site!
- A wiki option will be available in the coming weeks. Please contact the Web Committee if you would like a wiki for your committee or any other Tenn-Share related use.
